Urges Canada Admit Japanese Nationals

"Canada has responsibility for leadership in the present world's ideological warfare," maintained Mrs. Helen Tucker in her address to the Association of Administrative Assistants (Toronto Charter branch) at their October dinner meeting Monday night.

Mrs. Tucker, who was leader of the east-west cultural mission to Japan from Canada this past summer, said: "Japan is a new member of the democratically administered nations under her constitution of 1947 set up during American occupation. Whether she can continue to develop as a democratic country depends upon the willingness of dollar countries, like the United States and Canada, to trade with her."

Under American occupation and during the Korean war, Japan's economy became very closely tied to trade with the U.S. and, to some degree, to Canada, although Japan buys twice as much from Canada as she sells to her. The Japanese educational system was changed and patterned on that of the U.S. Women were given the vote and immediately put 38 women in the Diet. The idea of freedom and equality found a fertile soil in Japan.

"Today," said Mrs. Tucker, "there is no doubt that Communist China hopes to bring Japan into her orbit of leadership in Asia. Whether Japan will be able to maintain her present position of independent judgement and action rests upon her ability to solve her problems of overpopulation and export markets.

"Canada can, if she will, give assistance on both counts, but she will need to change her immigration restrictions to relieve the strains of over-population. At the present time there is no way a Japanese can earn the right to enter and stay in this country."

● Just Jottings...

High Minded

TOKYO.—Mountain climbing fever hit 3,000,000 Japanese this summer, or one out of every 30 persons in the nation. There was a sharp increase in female climbers, including several who conquered some of Japan's lesser peaks attired in sack dresses and one who hiked to sacred Mt. Fuji's 12,425-foot pinnacle in a Bikini. The police said the climbing craze resulted in 41 deaths and 76 injuries, plus numerous headcolds, sprains and pulled muscles.

Japan's Space Problem

TOKYO.—The welfare ministry has reported that 1,300,000 mentally deficient persons are on the loose in Japan, including 350,000 who might be considered violent types. It said more than half of Japan's violent crimes are committed by the mentally defective, approximately 90 per cent of whom are not confined to mental institutions. The ministry said there are only enough spaces in the nation's hospitals and mental institutions for 70,000 persons. It estimates that an expansion program will add 11,000 spaces by the end of next year.

Japan Switches System

TOKYO.—The Japanese switched entirely from accustomed measures to the metric system beginning this month after a three-month grace period for adjustment. Commercial companies and others using the old measures will be liable to fines up to 50,000 yen, or $138.89.

The Japan Times, a Tokyo English-language newspaper read by American and other foreigners here, announced that it will print all measurement figures side by side with metric equivalents in news stories beginning this month, and on Jan. 1 will begin using the metric system exclusively.

Many Japanese purveyors of food, cloth and other items of common purpose have already changed to the metric system, using grams instead of ounces, meters instead of yards, and so on, since the government proclaimed national adoption of the European measurements a year ago.

Besides the western pounds, quarts and feet and their components, the Japanese have customarily used their own system of measuring quantities by momme (about 120 to a pound); go (six to a quart), and many other units according to an indigenous system. This too is illegal after the change.

MAIL TO JAPAN. The S.S. President Cleveland is sailing from San Francisco on October 26 destined for Japan and Hong Kong. The S.S. President Hoover is sailing from San Francisco on November 7 destined for Japan and Hong Kong.

Force of Realization

"A terrific gesture."

This was the unanimous reaction by the canvassing group which met at the home of team captain Harry Fukushima when informed by a canvasser that Mr. George Kadota, who employs eight Nisei at his place of business (Woodcraft Service, Mimico, Ontario), announced that his firm will take full responsibility in constructing the kitchen of the proposed Japanese Canadian Centre.

The kitchen will certainly be the more popular of the locales, especially with the ladies, in learning Japanese cuisine, etc., and will cost in the neighborhood of $3,000 according to Mr. Kadota's estimation.

He will provide the necessary materials, while his employees will not only donate their services free of charge in fitting the kitchen, but pledged financial donations which will be deducted from their payroll weekly.

"They feel the small weekly deductions wouldn't be missed too much, but will become a substancial amount in three years," Mr. Kadota said. He felt that his employees were exhibiting a wonderful gesture towards the goal in this deserving project.

"$400,000 may seem a fabulous sum at first, but divided amongst 2,000 or more JC wage earners in this area isn't asking too much. As for the maintenance once the building is up and the programs actively pursued, I feel that it shouldn't present much of a problem at all," he said.

His enthusiasm was shared by other canvassers at the gathering. They were Mickey Sato, Baron Wakabayashi, Reggie (Yasui) Higuchi, Andy Shimizu, Miss Helen Iwasa and Mrs. Haruko Kobayakawa.

As Contest Closes

Issei Entries Document Unique Experiences

"The Issei contributions to the National JCCA History Contest are documents which are invaluable not only to the Nisei but to Isseis also, who might otherwise have never known of the unique experiences of our pioneers". These words, in short, were expressed by the chairman of the NJCCA contest committee, George Tanaka, who also stated that the few Nisei entries received are also of high calibre. The committee felt that the Issei entries must be translated into English and published in The New Canadian and the Continental Times in order that Niseis could gain this valuable knowledge. Tanaka added that the quality of the entries justified the holding of the contest. Most of the entries met the requirements set up by the committee; and the contest, as a whole, must be deemed successful. The human interest angle was well handled, and the entries should prove to be worthwhile contributions to the projected National history of the Japanese Canadians.

Entries, possibly from the remoter areas, will still be accepted as long as they are postmarked not later than midnight, October 15, the deadline for the contest. Judging of the contest will commence shortly, and the announcement of the winners will be made in late November in both The New Canadian and the Continental Times.

This report was made by Mr. Tanaka to president Edward Ide and the executive members at a meeting of the National JCCA held last Wednesday evening.

The members also discussed matters concerning the immigration problem as well as the National JCCA conference. Upon finalization, details will be reported at a later date.

A letter was received by the head office this week which requested the presence of the National president at the general elections of the Hamilton JCCA. Ed Ide, and Mits Sumiya in the capacity of the Toronto JCCA, announced their intentions of attending the elections dated for November 7th. The press will also accompany.

In attendance at the last meeting were: Edward Ide, Mits Sumiya, George Tanaka, Yoshio Hikida, Muriel Kitagawa, Ken Mori, Fred Kayahara, Ken Adachi, Harry Fukushima, T. Umezuki and Jerry Kutsukake.

World's Tallest Tower

TOKYO.—Engineers recently hoisted a 15-ton, 82-foot antenna to the top of Tokyo's rival to the Eiffel Tower, bringing the soaring structure to a total height of 1,092 feet.

The Japanese claim their steel tower is the highest of its type in the world, the Eiffel Tower in Paris rising only to 984 feet. It is 1472 feet to the top on the TV antenna on New York City's Empire State Building, but that one has considerably more to hold it up.

The Tokyo Tower is 262 feet square at its base and is costing about seven million dollars. It will have a glass observation tower below the top antenna, a restaurant at the 400-foot level and a five-story TV studio at the base.

Tokyo either has a tower taller than the Eiffel Tower or it looks that way because people around it are shorter.

Green Delegate Hears About Frontier College

This is the fifth instalment in a series on the views and experiences of T.M.K. at the National Minaki Conference held August 24-28 of this year.

There is at least one more Nisei who knows something about FRONTIER COLLEGE. The other Nisei is Jesse Nishihata, who knows even more, because he spent some of his time working and teaching the frontiermen of Canada; the 500,000 forgotten men, according to the head of the COLLEGE, Eric Robinson.

Eric Robinson, a dedicated man, was also a delegate to Minaki. He did everything he could to put the plight of the frontiermen before those Canadians who are vitally interested in citizenship work.

What made this particular conversation touch my interest was that I knew personally a young German who worked at one of these frontier camps, laying down cables or something in Labrador. His description of the conditions of camp life was horrible indeed. The utter desolation of the men, the complete lack of any recreative life after work, degraded them to a point not far from being inhuman beasts of burden, prisioners barred from the refinements of civilization.

Here were men of many races, usually not knowing English, unable to communicate with each other, yet bursting with all the frustrations imposed on them by the nature of their work, the barren surroundings, and separation from the world they used to know. Only at night in their narrow bunks could they remember the world or dream their private dreams drawn from their memories.

To these forgotten men, Eric Robinson brings what he can of the gentling influences of the outside world: books, recreation, classes in English, etc. He brings these through other young men like himself, educated and dedicated to this work; men who will work alongside the frontiermen, yet be more than a buddy, men who will be a teacher, a counsellor, a partner, a listener.

I met another of these young men on the train coming back from Minaki. He was one of Eric's men, coming back from a job on the Yale road digging. He would be re-assigned to another camp, where he could work with the men and yet help them to live and learn in their spare time.

Here is a field of work that needs men and material, hardy men and good material. Here is an avenue of service for men with a vision of the widening of civilization in Canada, where the still primal frontiers are being pushed back little by little to make room for more and more people.

Hamilton JCCA Election Of Executives Nov. 7th

HAMILTON.—At a recent HJCCA executive meeting, plans have been set for the annual general meeting to be held on Friday, November 7th, 1958, at the All People's United Church hall at 8:30 p.m. A cordial invitation is extended to all who can attend this all-important meeting. An election of the new executive officers and committee will take place. An inaugural banquet and dance is planned for November. Details will be released at a later date.

Manitoba JCCA Forms New Issei Division

The last executive meeting of the Manitoba JCCA was held on October 1st at which time it elected for the newly formed Issei executive division, Mr. S. Sato as its president, Mr. Y. Abe as secretary and Mr. T. Mitani, treasurer. It was announced at this time that this was the third attempt by the MJCCA in forming an active Issei body, and that a satisfactory number attended the last meeting which enabled the formation of the group. The 1958-59 executive members came to a quick decision in deciding the date on which Mr. T. Ban, the new Japanese Consul to Winnipeg, would be officially welcomed to that city by Japanese Canadians residing there. The date has been set for today and is to be held at the Buddhist Hall beginning at 6 p.m.

MJCCA president, Dave Murata, announced that canvassing for the Manitoba JCCA and the Outlook (MJCCA monthly report) membership and subscriptions could not be completed on the closing date. Therefore, it is hoped by committee members that those wishing to pay dues and have not yet been approached, will contact any member of the executive board.

In connection with a past motion put into effect, the president reported that prospects in obtaining the Sherbrooke pool for instructions in swimming for the

U.S. Airman Indicted In Accidental Slaying

URAWA, Japan.—U.S. Airman Third Class Peter E. Longpre who was charged with the accidental shooting and death of a Japanese music student was indicted last week by the district procurator's office.

The 19-year-old airman from Lakewood, Calif., is charged with shooting and killing 22-year-old Sachiyuki Miyamura as the Japanese rode through the U.S. Johnson Airforce base near Urawa on a passenger train.

Longpre's indictment followed after the Urawa Family Court referred the case back to the prosecutor's office. Longpre is technically a minor and his case had to be processed by the family court before it could go to the prosecutors for action in a regular criminal court.

Ham. Goes Western

Hamilton: Top gun for the night was Tosh Hashimoto with his 726 (305), keeping his team in top spot by a mere half a point. Our fabulous Anita Nakamura came through with another triumph with 708 (288), also the only other high score of the evening, Bravo!

Far below Anita's score came the down-trodden men-folk with Yuki Kumita with 644, Roy Honda's 662, George Yanawaga 653, Ken Suzuki 652, Kaz Kadonaga 645 and Soc Shintani 642.

* * *

The ladies were generally quiet except for a new comer, Chickie Yoshimochi, whose good form and patience netted her a fine 595 (264). Other fine scores were Kay Shimoji's 286, and Kay Honda's 277. Kay Honda is throwing in at least one good game per night. We're looking forward in seeing them closer together for what should be a good triple.

Daily Double Won by Uyeyama with 99-1 Odds

Eleven happy customers in a gathering of 5,790 racing fans at the New Woodbine tracks here Wednesday, merrily danced their way to the payoff wickets to collect the largest daily double in recent years on the Ontario racing circuit—a whopping $2,058.10.

Win Gal, ridden by Benny Sorenson started the punters off on one of the most exciting days of the season, out-photoing Rough Wave in the operator.

Then Corran's Warrior, running in the silks of S.W. Staples and with Hiromi Uyeyama in the pilot house, slammed down the front along the rail to outnod Dr. Alter by a head. A non-runner in nine previous attempts this year, Warrior was 99-1 on the board, the highest figure it is possible to register. It illuminated the tote board with a sky-rocketing $230.10 for a $2 investment.

It was the largest double ever recorded at the Woodbine track, and was the largest double since two horses combined for a $1,827 payoff at Fort Erie in 1957.

Sharpshooter

私たち「物心両面の誠意を」（下）

井手 律

移動以来十有餘年になるが、幸いなるかな、戦前とはまるで比較にならないたいした発展振りである。日系人の前途は洋々として春の海の如しだ。だが中には自分等は日系人にはあまり関係がないからと言つて、日系人の社會事業に対して無関心な態度をとる人があるとすれば、それは大きな考え違いだと云える。古い言葉だが「血は水よりも濃し」と云う意味を再検討すればよくわかる。善良なカナダ市民としてカナダの文化に貢献すると云う建て前からしても、日本特有の文化を知る事はあまりに當然すぎる事であろう。何れにしても今度の會館建設は、一つは日系人間の和合をはかり、一つは日加文化の交流を期しての大きな理想の下に出發して居る。私共はこうした企てに対しては若い人も老いたる人もスクラムを組んで、精神的に日系人總動員の態勢をととのえ物的にも精神的にもそれこそ満腔の誠意を以て出来得る限りの援助を果たし、そうして文化人としての輝かしい誇りを持つ事である。殊に一世としては之れが社會奉仕最後の幕を飾る事にもなろう。どうか此の際皆の力を合せて此の大きな仕事を美事に完成させて戴き度いと切に熱望して止まない。

日系會館に關する質疑應答

△問 契約をした場合の支拂い方法はどうなるか？

答 毎日、或は毎週いくらと貯えて頂き、月々または三ヵ月、半年に一度という風に送金して頂いてもよし、ポースト・デーテッド・チェキ（日附を進ましてチェキにサインする方法）にして頂いてもよいのです。

△問 寄附金はインカム・タキスより免除されるのか？

△問 維持費はどの位の見積りか？

答 二万弗と見積つています。これは市内各團体の統計をとつた結果ですが、市タキス、電熱、水、保険、電話、修理、掃除、維持費（給料）等を含んでいます。

△問 どうして維持するつもりか？

炭工九十六名まだ生埋め

ノヴァ・スコシアの落磐で救出六九、死者二名

【ノヴァ・スコシア州スプリングヒル發】當地の第二カンバーランド炭坑が二十三日落磐し、夜のシエフトで採鑛中だつた百六十七名の炭坑夫が生埋めとなり、そのうち六十九名は救出されたが、まだ九十六名は坑底に埋まつたままで、その生命が危ぶまれている。判明せる死者は二名、負傷者十六名。目下懸命に救助作業中であるが、なにしろ北米で最深の炭坑といわれ、地下千三百呎から千四百呎の急傾斜の坑路とあつて救助は極めて困難、その上換氣の途がふさがれ、ガスが充満しているので、生埋めにされた坑夫の救出は遅々としてはかどらない狀態である。スプリング・ヒル町は不幸な運命を次々と味わつた鑛山町で、一九五六年には炭坑が爆發して死者三十九名を出し、また今年の春は同町のメーン・ストリートは大火で全滅の憂目に會い今回再びこの慘事が起つたので、全カナダの同情が集まつているが、もし生埋めの坑夫が全死となればスプリングヒル町の再起は望まれないと深い憂色につつまれている。落磐のニュースをとろうと現場にカーを走らせた一新聞記者は途中事故を起して死亡した。

ピーシー大學で 都留博士が講義

【開市發】カイロで飛降り自殺したノーマン大使と親交があり、同大使が共産主義者であつたという事實をたしかめる米國上院の調査會に證人として證言したことのある都留重人博士は目下ビーシー大學で三カ月の契約で經濟講義を行つている。

中共、砲撃中止か

ダレス・蔣介石會談が終つて

【臺北發】ダレス國務長官と蔣介石總統の三日間にわたる會議は成功裡に終つたと共同聲明が發表されたが、ダレス長官の臺灣訪問を機として再開された中共の金門島砲擊は、ダレス長官の臺灣離去と同時に停止することになろうと見る向きもあり、中共の金門島砲擊は『ダレス・將會談』の伴奏であつたことになるのではないかといわれている。共同聲明によると、蔣介石は武力を以て中共本土を攻略しないとし、金門、馬祖兩島の防衛は『現在は臺灣の自衛上必要である』といつているが、現在のところという字句は意味深長だとみられており、いずれ米國の要請する通り、漸次金門、馬祖兩島の守りを薄くして中共の不機嫌を買わないことにすることを言外にふくめているのではないかと觀測されている。

日本漁業ライン 一歩も讓るな!!

【東京發】今週より東京で開幕された日米加漁業委員會で、日本は米加の要求である西經百七十五度線の日本漁區を更に西に後退させることに對して日本は強い反論を加えることになつているが、三國漁業委開催と共に各有力紙は筆をそろえて日本船團の規制ライン變更に大いに反對せよと主張しており、とくに讀賣新聞の如きは『一歩でも讓つたが最後、日本漁業は全滅するだろう』と述べている。

毎年赤字つづき

カナダの觀光事業の最大欠點

【ビクトリア發】カナダの觀光事業は一九五〇年以來赤字つづきで、近い將來にこれが黑字となる見込みもなさそうだが、カナダがビクトリアを少しでも見習えば觀光事業もいくらか活氣づくだろうと當市新聞は報じている。

△カナダ人が昨年度に國外で使つた金高は五億二千五百万弗、外國人がカナダに落したドルは三億六千三百万弗。米國客が最多數であるが、彼等はビクトリア市の『さながら英國風の街』を樂しむために金を落し、ケベック州で『異風な文化と言語』に興味を持つはかは、どこに行つても米國並みの施設にガッカリするのが觀光事業赤字の最大原因と指摘している。

△ところがカナダの衣服業界では、カナダ人が米國から無税百弗まで持歸る商品のなかに衣類品がトップを占め、國產品はかえりみられず、ために年間米國からカナダ人は三千五百万弗價格の衣類を買つている。これを何とかして、衣類もタバコや酒同様に二十五弗までに制限してほしいと悲鳴をあげている。

ノーベル文學賞 ソ連の詩人に

【ストックホルム發】ソ連最初の一九五八年度ノーベル文學賞受賞者はボリス・パスターナック氏(六八)と今週ノーベル賞委員會が發表した。パスターナック氏はソ連有數の詩人で、このほど『ドクター・ジバゴ』と題する小説をものしたのが、ノーベル文學賞をうけることになつた。賞金四万千四百十十弗だが、ソ連政府はこの小説は反政府的だとして同氏のストックホルム行きを拒否するものとみられている。

△日本は新憲法の下に再生した新しい民主國家であるが、日本がこんごとも民主國家として發展していくかどうかは、カナダや米國が快よく日本と通商していくか否かにかかつている。現在、中共は日本を共產陣營に引き入れようとしている

△しかし、日本が現在の地位(民主國)を保つていけるかということは日本の過剩人口と輸出市場の問題の解決如何にかかつているのである。もしカナダがその氣持であれば、日本の二つの大きな問題の解決を手助けすることができるのである

△そうするにはまずカナダの移民政策を變更しなければならない。いまのところ日本からの移民は絶對禁止の狀態である。

The Rev. Ishiura began working with the Buddhist Churches of America (BCA) in June, 1941. Requested to come to Hawaii in 1947, he arrived in May of that year and stayed for one year, after which he returned to the mainland. In August of 1948 the YBA asked him to become Executive of the YBA and he accepted. Following the YBA position, the Rev. Ishiura was assigned to the Hawaii Betsuin where he has remained until the present time.

Few people can appreciate the vast number of different duties he performed for the Temple, community organizations, soci agencies, publications and ind viduals. He has performed ov one thousand marriage ceremo ies which is just one example the magnitude of his task.

Once again, Rev Newton Ish ura has accepted an arduous p sition. He will head a church Toronto and his services will required throughout the tho sands of miles of the area which he will be employed. T ronto is a city which has a pop lation of about 400,000 more th the Hawaiian Islands. That th presents a tremendous challen for the benefit of Buddhism, are equally sure.

Accompanying Rev. Ishiura Toronto will be his wife Ma his two daughters Maya a Dana, and his son Karma.

Japanese Women Lauded

Reminiscent of Chicago

Panelists discussing Japan won ringing cheers from male University of British Columbia students last week when they touched on the role of Japanese women.

The women of Japan, panelists agreed, are still subservient to their husbands. (Loud cheers from the men.)

And, continued the panelists, when a man returns home from work "he is definitely head of the household." (More cheers.)

The four panelists, three of them Japanese, discussed several other points, though, in their discussion of "How Japanese is Japan?" before 300 students.

Jazzy, Dirty Chicago

Prof. B. C. Binning, head of UBC's department of Fine Arts, said, "Parts of Japan are reminiscent of what is worst in North America. It is a great, jazzy, dirty Chicago—but it also has a beauty not seen anywhere else in the world."

Panelists agreed that western influence has jumbled Japanese culture into a hodgepodge of ancient tradition and American TV, jazz and rock 'n roll.

Dr. Shigeto Tsuru, an economics professor teaching at UBC for three months, said western influence has produced "extremely radical reforms."

More Delinquency

He said Japan is now facing an increase in juvenile delinquency, caused by lessening of parental authority and an unemployment problem.

Prof. Seiichi Sueoka, who is touring Canadian universities, explained Japan "was ripe" for absorbing American influences and noted that the threat of Communism is decreasing.

Japanese exchange student Tsutomu Takeda said a rising standard of living has eased the dangers of Communism.

Men Over 40 Sexier

A Matter of Time

NEW YORK.—Former Japanese burlesque dancer who gave up stripping to become a movie star has decided after three months in Hollywood that actors have little or no sex appeal until they are at least 40.

Willowy, 24-year-old Eiko Ando thinks Clark Gable is about the most attractive fellow in Hollywood—and he's approaching 60.

The youngest man on Miss Ando's list is Frank Sinatra who has just turned 40.

Also high on her Hollywood hit parade are Kirk Douglas, 41, and John Wayne, 51.

She thinks Marlon Brando is a "wonderful actor" and Rock Hudson is very handsome. But both are in their 30's and don't quite have what it takes, yet, as far as she is concerned.

Miss Ando (co-starring with John Wayne in "The Barbarian and the Geisha,") was born in Manchuria and educated in Tokyo. She used to appear in a G-string and flimsy bra as a singing and dancing girl in Tokyo's Nichigeki Music Hall.

"Clark Gable," she told United Press International in an interview, "is all man, a man-type man. Some of the younger men are not quite as he-man.

"Kirk Douglas, I think is a very good actor, and of course, I think he has sex appeal. John Wayne has sex appeal, too. For that reason, they are famous and are stars.

"Frank Sinatra is a man of the type that girls want to take care of. He's a man who still has a kind of childishness. He is very attractive, but I think he is too thin. He should have to gain weight.

"A man does not have to be good looking to have sex appeal. He has to be a man.

Miss Ando said she is single and has no immediate marital prospects. She said she has an open mind when it comes to choosing between western or Oriental men.

"Men are the same anywhere," she said. "I have no special opinion whether a man is American, Japanese, Italian or Chinese. But I find that usually American men know how to treat a girl as a girl."

Julien Bryan appears in person with his feature color film "The New Japan" at a special supper show Wednesday, October 29th at 5:45 at Eaton Auditorium, the second in the popular series of World Adventure Tours.
